

***Task Force URE is a group of veterans working in the Ukraine,
providing humanitarian support for people in need.***

They bring in and distribute needed medical and food supplies.

Extract family members who are caught in the Ukraine and cannot get out on their own.

***Helps organize incoming veterans in to properly vetted groups
where their skills can be best utilized within the Ukraine.***

Comforting orphan refugee children in Poland while they wait for relocation.

Getting proper protective equipment to front line veterans.

We have a member of Task Force URE in Saint Francis this week.

***David Padgett would like to hold a get-together with the community
to talk about why he decided to help in the Ukraine, and his experiences while over there.***

David wants to answer your questions,

and give each of you a front line perspective of what is happening in the Ukraine.

David has been featured on several news stations, and has been seen on news broadcasts nation wide.

David is also scheduled to be interviewed by CNN - New York.

***David Padgett will be at Fresh 7 on Friday April 15th at 1pm To talk with you,
and answer any questions you may have.***

David with kid extracted from Belarus, who has been reunited with his family in America.
